So yeah, no new weapons no new levels. This is basically a reskin. Not worth the price.. To launch this, go to your Steam Library, Right click CI5, "Launch Halloween DLC". You're welcome.. Chicken Invaders <3

THX InterAction studios. I downloaded this along with Chicken invaders 5. There is no executable for this game. Did I waste another \$2.99. Thanks for nothing.. Wont launch! No executable file! Please fix! Was really looking foward to playing this DLC!! It is October!! Update: Ok the devs fixed the issue. Now i can enjoy this awesome DLC!! I have always enjoyed all the different Chicken Invaders DLCS but i must say the Halloween edition is my all time favorite. Great graphics and epic bosses!! Nuff said!! :)
