This blog post contains a helpful video from YouTube. The 37 Best Websites to Learn Something New-This is a blog post with a list of websites that can teach you anything from how to build an app in Node.js, to learning about the history of art and technology. It claims that all you need is access to the internet and it will teach you everything you need to know! There are also links down in the comment section if you want more information on any particular website listed in this article. http://riotgames.com/wiki/Riot Games Wiki

http://totallylego.com/sites/default/files/lego_resources/LegoTrainersNutsandBolts-A-C-D.pdf If you are looking for the official site of the Lego Trainers Network, this is it! This blog post has links to all of the various training courses that are available. There are also links to download all of the LEGO Trainers manuals, if you would like to access the training manual online!

Another great site for finding information on block building is http://docs.codecademy.com/. This site is full of excellent video demonstrations for building things out of Lego pieces. A written description is not included on the site, so you would have to load it up on your browser to see what you are getting. http://www.goodreads.com/author/quotes

https://www.tumblr.com/search/spice+buzz This page includes some inspirational quotes made up by author, Jessica Day George. These quotes include famous people in history who all suffered from mental illnesses - most notably Albert Einstein and Charles Darwin! There are also 3 GIFs available on the page with the most popular ones being "I'm totally awesome" and "Don't Worry Be Happy. https://www.bigbangtheory.wikia.com/wiki/Big_Bang_Theory

http://en.wikipedia.org/wiki/Chess#History This is the official Wikipedia page on chess, which is also an excellent resource for learning basic facts about the game (history, rules, how to play it, etc.). There are links to different chess related websites that you can check out if you are interested in learning more about the history of chess!

"Confessions of an English Opium Eater", is a blog post describing what can happen when you give up drugs and alcohol for good. http://www.youtube.com/watch?v=1ob6OkEqRsw https://www.youtube.com/watch?v=VQw1h32nDN0 This is a helpful video that goes through the 13 basic pieces of equipment that are needed to build LEGO models. It also covers how to start building LEGO models, because not everyone is aware of these pieces. http://legoconcepts.wikispaces.
